

Hanley Center Support During These Challenging Times

LET US SUPPORT YOU.

We at the Hanley Center are deeply humbled by the extraordinary leadership and selfless dedication you, our alumni (and all in and supporting the health professions!), are demonstrating to assure quality care for our citizens, every day and especially during this untenable situation.

We see and hear how draining these days are for so many of you and we want to help. With that in mind, our team is offering supportive options to help you maintain your resilience and balance, and to remind you how best to draw on your leadership skills in such challenging times.

Our first offering:

Hanley Center Virtual Peer Support (VPS) Sessions

When: Thursday Afternoons: 3-6 pm (drop in for any or all of it!)

Starting THIS Thursday, 3/26/2020

NO registration necessary. NO cost. COME AS YOU ARE, frazzled, ragged or clear headed!

Join with other alumni, healthcare colleagues, and Hanley Center faculty to unburden your load, share solutions, best practices, concerns and challenges, and to receive and share support in a safe, collaborative virtual space.

This will be unstructured time, to be shaped by those present however they'd like and need, with Hanley Center faculty Derek and/or Sarah providing facilitation as needed.

Join us via Zoom, by phone, video, or both -whatever works best for you- every Thursday for the foreseeable future, for whatever moments you can between 3 and 6pm. Here's how to join:

Hanley Center is inviting you to a scheduled Zoom meeting.
