Summer Internship Program

Maine Resilience Building Network
27 Benson Rd
Manchester ME 04531

About the Organization

From its founding as a volunteer organization in 2012 through the transition to a 501(c)3 organization in 2019, Maine Resilience Building Network (MRBN) has worked to bring about awareness and change to address the systemic inequities and root causes of poor public health and health-related outcomes related to Adverse Childhood Experiences (ACEs). Leveraging our network of 2,200 contacts, MRBN influences policy makers and offers cross-sector educational opportunities to build understanding of the impacts of ACEs and the importance of building resilience through protective factors such as positive relationships and connectedness.
