

Change-Makers: One Commitment at a Time

- Contact legal department to review delegation of authority for foreign born healthcare workers
- Learn about CAPE model and possible applications for use in rural OB/perinatal care
- I am going to inquire how my home health agency can partner with our organization's paramedical interceptor team
- Connect with EMS manager at Memorial Hospital about the CAIP/CAPE EMS model presented at the Hanley Forum 2022
- Introduce myself to Jennifer Hutchins at MANP
- Learn more @ health care career outreach with middle/high school
- Follow-up with community college educators & DHHS workforce recruitment re: ideas for attracting new hires
- Call and learn about Maine Immigrant Access Network
- 1. Learn about "healthcare training for ME" and the opportunities that exist. 2. Will attempt to communicate with PCHC in how I/we (NEMHS) can join forces even better!
- I will commit to working with my local healthy community coalition on a healthcare initiative for the under-served in Maine
- I am going to talk to my workforce committee about creative opportunities/greater flexibility, particularly this idea of shorter shifts!
- Follow-up with NECS re: upcoming CA coalition memorial meeting
- Samantha Dina has multiple projects to get people into entry level healthcare jobs. Are we working with her and if not, why not?
- 1. will talk to Sky about the future of CAIP @ PCHC 2. Will explore CHW options for PCHC
- Work on nurturing culture that is flexible for employees
- Learn more about Maine Association of Non Profits funding opportunities for innovation
- Explore CHW options to support our INS function and/or Creating/discussing implementation of "joy in medicine" committee
- To learn more about some of the state's initiatives for recruitment, and how they are incorporating the need for affordable housing & child care
- To reach out to Dawn Cook (PCHC) around "The Great Pause"
- I would like to explore the possibility of allowing staff to work from home 1 day per week **what would that look like **what would be the expectations **how would that affect the rest of the team
- I'm going to reach out to Sally Sutton and find out how to support more David's
- Take the idea from PCHC >>start a "Humans of NECS" newsletter where employees get to tell their story to others
- Build collaborations with partners in the community to support healthcare workers
- Explore delegated practice statute, and see how it applies to FQHC's
- I commit to reach out to non-profits in my region to ask how our office can help them & their mission
- Summarize a couple of key innovative ideas re: workforce issues and incorporate them into meeting w/CEO on Monday
- Call congressional delegation re: new Mainer entrance into healthcare
- Have a conversation with MEACEP & Dr. Busko about Buprenorphine or early induction training to offer more opportunities, safe opportunities for our staff to decompress
- Reach out to NMRC to see if they would want to explore technology positions
- I will contact the Department of Labor/DHHS (Samantha Dina) to learn more about their workforce development projects/programs
- Connect with local ECBO to see how/if we can partner
- Resources for New Mainers healthcare professionals/international graduates
